Chart (1): the distribution of colonial units in the Israeli colonies

- **The so-called Israeli Ministry of Defense plans to develop a new plan to “protect the colonizers and colonies” in the West Bank** by deducting up to 3.3 billion shekel from the ministries of communications, housing and transportation.

The plan includes the following:

- 1- A road security plan: putting cameras at crossroads, and electronic devices to monitor and prevent attacks, and the deployment of more lighting, especially in the dark sections.
- 2- Cellular coverage: deploy more aeriels along the entire roads that are currently outside this coverage, which poses a significant risk if any attacks happened.
- 3- Construction of new bypass roads provide colonizers with alternatives to bypass Palestinian towns and villages.
- 4- Budget to increase protection for new buses and transport vehicles.
- 5- A special security zone working as umbrella to protect colonies from attacks.

Attacks by colonizers:

The weekly report documented **10 attacks by colonizers against Palestinians and their property during the olive harvest**, which resulted in:

- Attacks on houses in the neighborhoods of Tel Rumeida, Kartina and Jabal al-Rahma in the Old City of Hebron.
- The incursion of "Al Ain Al Jadida" area located near Tel Rumeida in Hebron in an attempt to seize it and include it on the tourist map of the colonizers.
- Set up barbed wire fences in the lands of the citizens of Umm Lakhus area, near the colony of Beit Yatir in Msafer Yatta south of Hebron,

- The colonizers of the colony of “Sidi Bouaz” attacked the farmer Ibrahim Mohammed Salim Subaih, 58, from al-Khader village, south of Bethlehem.
- The colonizers of “Adie Ad” colony stole 200 olive trees harvest in the village of Mughair\Ramallah.
- Dozens of colonizers stormed into the town of Kufel Hares\Salfit under the pretext of performing religious rites.
- The colonizers of "Hofat Gilad" attacked the farmer Fatima Arman, 67, from the village of Jet and expelled her from her land and throw her olive harvest between the thorns.
- The colonizers of the colony "Givat Ronim" stole 60 olive trees harvest from the lands of Burin village south of Nablus.

Annex:

The Israeli occupation authorities approved the confiscation of 4700 meter of Palestinian lands in al-Nabi Saleh village, northwest of Ramallah for security purposes in order to build a fence around the colony of Halamish .

the occupation authorities prevented Palestinian farmers from reaching their land near the colony under the pretext that it was declared as state land in 1983 with an area of about 2600 dunums,

The Israeli authorities have made it clear, in circulars handed over to the landlords, that the confiscation order was issued on security grounds.
